***Zodiac: Works by Garland Mattox***  
Through February 21, 2020

In the work for Zodiac, I am exploring a fantasy landscape of the universe. The four large panels tell the story of each Zodiac sign as they travel through the heavens. The individual symbols use the moon as a point of reference for finding ourselves, and our signs, in the stars.

***Beyond the Norm: Works by David Armstrong***  
Through March 6, 2020

David is a retired attorney, having practiced in Greenville for over 45 years. He was introduced to photography by his late dad, himself a keen eyed, skilled amateur.

David was the photo editor of his high school yearbook and as a senior electrical engineering student in college, built a high speed xenon flash, triggered by his camera.

Throughout the years his focus has shifted from the technical to the artistic, believing the arts enrich lives and bring joy, especially in these contentious times.
