Artsville Collective in the Asheville, NC, area proudly presents the Virtual Gallery of Artists (VGA) program, an initiative designed to help elevate the careers of local artists. The VGA program invites individual artists to apply for three months of marketing exposure through print, digital, and podcast platforms. Artsville provides guidance on building relationships with the press and art buyers, empowering artists by coming alongside them and forming connections. Notably, Artsville does not take any commissions on art sales, ensuring artists keep their full earnings.
