On Jan. 11, at 7pm - "Voices: Panel Discussion on Domestic Violence," at Dina's Place, DiGiorgio Campus Center, part of the campus-wide Relationships & Power series. "Voices" is a video installation designed to draw attention to domestic violence, eradicate the silence that surrounds it and empower survivors. On 20 small video monitors, only the mouth appears of an anonymous domestic violence survivor sharing their first-hand experience with abuse. As the viewer enters the installation, a "concert of voices creates a symphony of incomprehensible words" - only when the viewer comes close to a single monitor does each narrative become clear. Del Buono's installation reminds audiences that there are real human beings behind the statistics. Del Buono will work with local organizations to capture the personal experiences of women in our community to include in the installation. This exhibition is supported by ISE Cultural Foundation, NY, Winthrop University's Global Learning Initiative and campus-wide Relationships and Power series. Hours: Mon.-Fri., 9am-5pm.
